Design 41 is committed to providing a website experience that is accessible to the widest possible audience, regardless of technology or ability.

We strive to maintain a website that is accessible and user-friendly for all visitors and work to improve the usability of our digital experience in alignment with recognized accessibility standards and best practices.

Our Approach

We aim to support accessibility by:

Designing and maintaining website content with usability in mind

Striving to follow applicable accessibility standards, including the Web Content Accessibility Guidelines (WCAG)

Regularly reviewing our website to identify opportunities for improvement

Working to ensure core website functionality remains accessible across modern browsers and devices

Ongoing Effort

Accessibility is an ongoing effort. We continue to evaluate and improve the user experience of this website to better serve all visitors and to support evolving accessibility expectations and technologies.

Third Party Content

Some areas of this website may rely on third-party tools, integrations, or embedded content that are not fully controlled by Design 41. While we aim to work with partners who support accessibility, we cannot guarantee the accessibility of third-party content or functionality.

Feedback

If you experience difficulty accessing any part of this website, notice an accessibility issue, or would like to request assistance, please contact us. We welcome your feedback and will make reasonable efforts to address accessibility concerns in a timely manner.
